

Apprentice

Transitioning from the Royal Navy into a Project Delivery role within SDA.

Ella

PROFESSION: Project Delivery

ORGANISATION: SDA

“

After 15 years in the military, I had many of the core skills needed to move into Project Delivery – I just needed to learn to apply them to a commercial setting. My apprenticeship has given me the formal and on-the-job training to allow me to do this in a safe and supportive environment

”

Career history

Royal Navy

Aircraft Handler

SDA

Associate Project Manager
